La Duquesa Golf & Country Club

La Duquesa Golf course, designed by Robert Trent Jones is located in the midst of a spectacular landscape, with magnificent views over the Mediterranean, Gibraltar and to Africa. It has five par 3's, eight par 4's, and five par 5's, with two small man-made lakes. It offers an interesting and varied game due to its long fairways and has two clearly different parts. The first 9 holes are of a certain "English style" with narrow fairways and high greens. The second 9 are easier with wide fairways, although the green will supply additional difficulties.

Prices are based on 2 golfers sharing apartments; single use will have a supplement of €15.00 per day
