**El Rompido Hotel** Clean modern lines and contemporary architecture combine to provide stylish luxury in this golfing Mecca in the sun. The 184 rooms and 12 suites in the hotel, each tastefully appointed in keeping with overall contemporary style of the property. All with full en-suite facilities, a large terrace or balcony overlooks the fairways or large outdoor pool and gardens, all rooms have air-conditioning, satellite TV, broadband internet connection and 24hr room service.

Sports facilities are second to none in the area and include 36 very varied holes that meander through 50 hectares of national park many with attractive sea views. There is a driving range, pitch & putt area, putting green and practice bunkers, football pitch and resident PGA pro Peter Ballingall runs a well respected golf clinic. Other amenities include bike hire, tennis, paddle court, free boat transfers to beaches and mini train to the local village centre. The clubhouse has a well stocked pro shop and bar run by Director of Golf, Bruno who will also help organise lessons.

**El Rompido Golf** Integrated into the natural landscape of Marismas del Río Piedras Golf el Rompido is the only 36-hole golf course in the region (including the north and south courses). Its two 18-hole courses, surrounded by pine trees and orange groves, cross the Marismas or marshes and make their way towards the Atlantic Ocean, providing spectacular views and a unique sensation for golfers. The power of nature is apparent in every step, thanks to a total absence of buildings, making golf a pleasure for the senses. Opened in 2003, the South Course borders the clubhouse and is divided into two courses of very different characteristics in terms of technique and landscape. The pine wood, olive trees and marsh conspire to demand strategy and precision from the golfer. The North course, inaugurated in spring boasts privileged views due to its location on a hill. Its fairways, longer and wider than those in the south course, put the player's technique to the test.
