This offer is based on 2 people sharing twin rooms on a Half Board basis at the HOTEL VALLE DEL ESTE 4\* GOLF RESORT including GOLF at the Valle del Este Course and SPA circuit each day.

**Hotel Valle del Este 4\* Golf Resort** is a modern superior four-star tourist complex in a privileged zone consisting of hotel, Golf Course, Beach Club, SPA and Sports Club. To really treat the golf fanatic in your life and avail of non-golf luxury yourself, there is no better place than the Hotel Valle del Este! With 4 holes of the stunning golf course surrounding the hotel itself a short walk from bed to tee will delight all eager golfers.

The hotel itself has been designed to respect and blend seamlessly with its environment. Indeed this hotel has so much more to offer than just lowering your handicap. Within a short drive you have mountain villages, stunning scenery, beaches, coastal resorts and towns like Mojacar and Vera to discover. This area of Spain boasts the best climate in the whole of Europe with on average 312 days of sunshine per year.

**Valle del Este Golf Course** is an 18 hole championship golf course. With ample fairways, large receptive greens and measuring only 6300 yards off the back tee and par 71, it should not be. Yet, somehow the course manages to extract every bit of skill from even the most seasoned of golfers, without ever becoming unfair for the beginner.

Desert surroundings with the occasional view of the Mediterranean, rolling hills and steep cliffs make it visually spectacular. It's small round tee boxes, as many as six on some holes, provide daunting looking carries. However, because most tee shots are downhill, they seem much tougher on the eye than on the swing. Maintained to the highest standards, together with the regions famed climate, they make Valle del Este a golf course that can be played all year round, making it an unforgettable experience.
